

The perfect overflow

for a panoramic view

Customer Private customer

System Filter system GENO-mat F 600 A, DS (three-phase current)

Description

Exposed concrete pool with lovely details. A waterfall and a counter-current system round off the pool with overflow channel. Water disinfection and treatment are fully automatic. With the LED spotlights, the desired touches of colour can be added. A heat pump keeps the pool well-tempered. The roller shutter pool cover prevents high evaporation and energy loss. Pool dimensions: 10.00 x 3.80 x 1.50 m
